Discussion

Delay with transfers

Transfers to beneficiaries were delayed/ hampered due to the following reasons:

- **Rates clearance**

Low cost housing projects may be exempted from rates clearance certificates in terms of sections 118(4) (a) of the Local Government: Municipal Systems Act 32 of 2000. The former municipal manager granted approval that the last mentioned amendment of the Act be used in order to fast track transfer. Affected residents remain liable for the payment of any outstanding services accounts.

- **Conveyancing cost**

The current negotiated transfer cost payable to the respective conveyancers amounts to R1000.00 excluding VAT per transfer. The conveyancing cost is subsidised by the Provincial Department of Human Settlements.

- **Transfer of land from Province to Overstrand Municipality.**

Ownership of certain properties, especially in Hawston, remained with the Provincial Government of the Western Cape, for example erf 1, Hawston. The last mentioned caused problems in respect of transferring of properties to beneficiaries. This particular erf in Hawston was registered in the name of Overstrand in March 2013 after which the individual registration of properties at the Deeds Office could be effected.

- **Outstanding deeds of sale**

Challenges

Due to the delays and the passage of time, the following challenges are experienced and concluding the sale agreement with beneficiaries of housing projects:

- ✓ the original beneficiary has passed away;
- ✓ the original beneficiary left Overstrand area and cannot be traced; and administrative processes at the Deeds Office and South African Revenue Services have changed. Beneficiaries are required to submit declarations of their status and income;

**AGENDA of the
Portfolio Committee : Community Services
21 August 2018
(Also the agenda for the Mayoral Committee Meeting : 29 August 2018)**

Way forward

The Housing Department is still in process to finalise the outstanding sale agreements in cases where the original tenant (s) or beneficiaries (ies) are no longer available. Door to door visits are conducted continuously in order to fast track the process to conclude the sale agreements.

The attorneys Guthrie and Theron and Hannes Pretorius have been appointed to attend to the transfer of the aforementioned number of outstanding properties.

7. Financial Implications

Subsidy funding in the amount of R1 140 000.00 was obtained from the Provincial Department of Human Settlements to cover the conveyancing cost of R2000. 00 per transfer, excluding Deeds office fees in the amount of R136.00 per transfer.

Source of Funding eg. Operating Budget Provisions (rollover to be approved by National Treasury) 2018/2019:

Unspent Multi-year Funds: Human Settlement Development: R1,116,039.00

The above unspent multi-year funds will be part of the submission for roll-over applications for inclusion in the Adjustment Budget serving before Council in August 2018.
