6. Background/Discussion

In addition to the introductory note in paragraph 1 of this Item, the Overstrand Municipality has decided to propose this by-law for purposes of controlling, managing and developing its urban trees in the long term interests of the whole community.

The proposed by-law addresses various issues and matters, the most important of which are the following;

1. The planting of trees;
2. The felling and pruning of protected and / or established trees;
3. The felling and replacement of trees;
4. Offences and Penalties.

In terms of Section 156(2) of the Constitution, read with the provisions of section 11(3)(m) of the MSA, a municipality has the right to make by-laws for matters which it has the right to administer, in this regard, Urban Trees, which includes the control, managing and development thereof. Although urban trees per se and the managing thereof are not specifically mentioned in Schedule 5 Part B of the Constitution, it is contended that Public Places and Public Open Spaces, albeit not all, and Municipal Parks, do contain trees which require control, managing and development.

It is furthermore contended that local tourism, as made provision for in Schedule 4 Part B of the Constitution, may also benefit by this by-law as the Overstrand's natural beauty for which it is renowned, will also be bolstered by its abundance of trees, and the management, control and protection thereof.

The above has to be read with sections 11(3) (l) and (n) of the MSA.

Process followed:

The draft by-law was advertised for public participation. This was done on 20 September 2018. The advertisements were placed in the Gansbaai Courant, Hermanus Times, Overstrand Herald, and Municipal Notice Boards, and was placed on the official website of the Municipality.

Subsequent to the publication as referred to above, 1 (one) representation was received from an office bearer of Milkwood Communications & Stanford Accommodation of Overstrand whom reminded us to include in the by-law a reference to NEMBA and the Overstrand Municipality By-law Relating to Streets, Public Places and the Prevention of Public Nuisances, which has been effected.

**AGENDA of the
Portfolio Committee: Community Services
19 March 2019
(Also the agenda for the Mayoral Committee Meeting: 27 March 2019)**

Section 12(3) of the MSA determines that a by-law may only be passed by a municipal council if all members of the council have been given reasonable notice and that the proposed by-law has been published to allow for representations by the public. Council members have been given reasonable notice of the by-law and as stated, the public was also afforded the opportunity to make representations.

It is therefore recommended that the Council pass the by-law, attached as Annexure A.

Publication of the by-law and taking effect thereof:

When a municipal council passes a by-law, Section 13 of the MSA requires that:-

- it must be published promptly in the Provincial Gazette and when feasible also in a local newspaper or in any other way in order to bring the contents of the bylaw to the attention of the local community; and
- that it takes effect when published, or on a future date determined in or in terms of the by-law.

Section 13(b) of the MSA provides “that a by-law passed by a municipal council takes effect when published or on a future date determined in or in terms of the bylaws”. This By-law shall come into operation immediately from date of publication.

7. Financial Implications

The by-law must be published in the Provincial Gazette.

8. Staff Implications

None

9. Comments from other Departments, Divisions and Administrations

None

10. Annexures

- Annexure A: Proposed draft by-law relating to Trees
- Annexure B: Formal Public Notices advertised in local newspapers
- Annexure C: Representation received on 31/10/2018

Die Gospel Bells-mannekoor is 'n bekende gesig by geleenthede in Hawston.

Dié groep met hul goue stemme is egter nie net in Hawston bekend nie – hulle tree selfs in die Noord-Kaap op.

Stoffel Kees, of oom Stof soos hy alom bekend is, het al saam met die Morawiese koor in Duitsland opgetree en was saam met die ProMusica-koor in Londen, Skotland en ander Europese lande.

Kees, Nigel Brown en Patrick Jansen het ook onlangs op die plaaslike

radiostasie Whalecoast FM van hulle laat hoor. Hulle is verlede naweek Noord-Kaap toe om by kerke in Dorpe soos Nababeep, Concorde en Okiep op te tree.

Die oorspronklike groep met ses lede is in 1985 gestig, maar deesdae bestaan die koor net uit die drie lede. Hulle tree by geleenthede soos verjaardagpartytjies en begravinge op en vra slegs 'n skenking ten opsigte van hul vervoerkoste.
