**6. Background/Discussion/Evaluation/Conclusion**

**Background**

Vodacom has been leasing the portion of Erf 5462 Kleinmond for telecommunication purposes since 2006.

The last agreement expired on 13 May 2016 and although Vodacom applied for renewal of the lease agreement before the expiry date the processes for the long term lease could not be finalised before said date.

The locality and layout of the proposed lease area is indicated on a locality plan attached per "Annexure A".

**Discussion**

Vodacom has been utilising the said space for well over 10 years and provides a very important service to the community of Kleinmond and especially in the provision of communication and improvement of mobile and internet reception to their clients. Vodacom has applied for a long term lease agreement of 9 (NINE) years and 11 (ELEVEN) months.

In terms of the Administration of Immovable Property Policy the Municipality may grant a long term lease if the Accounting Officer has approved the lease in principle, a public participation process is followed and Executive Mayor's (as delegated authority) approval is gained in terms of the above policy.

The Accounting Officer approved in principle the lease of the property to Vodacom subject thereto that the required processes are followed. As the site is not classified as a business site it can be leased directly to Vodacom without following a competitive process.

The lease amount (tariff) for the lease of space for a mast are annually determined and approved in the Annual Budget which is approved by Council. The current amount is R57.02 (FIFTY SEVEN RAND AND TWO CENTS) (VAT excluded) per square meter.

Vodacom's municipal account is up to date and no complaints regarding the use of the property by Vodacom have been received during their previous period of lease.

As previously confirmed Vodacom applied for a further lease in time and the process was also commenced with by the Property Administration Department in time. Unfortunately due to unforeseen circumstances the lease agreement could not be entered into before the expiration of the previous agreement. As Vodacom is still in occupation of the property the lease amount is still levied monthly on their municipal account and paid by Vodacom. Should the further lease be approved the commencement date will be backdated to commence the day after expiry of the said previous agreement.

**Evaluation**
