5.2 The Accounting Officer must for the purpose of paragraph 5.1 take all reasonable steps to ensure:

- (a) that the municipality has and maintains an effective system of expenditure control, including procedures for the approval, authorisation, withdrawal and payment of funds;

6.1 General Policy

- (a) The use of a petty cash float (**a float may not exceed R5 000-00**) is strictly confined to **individual cash purchases of up to a maximum of R200-00**. The Chief Financial Officer may approve petty cash purchases up to R2000;

OVERSTRAND MUNICIPALITY – PETTY CASH POLICY

- (b) The petty cash float is only to be used for non-recurring expenditure of an ad-hoc nature with a maximum of 10 sub-advances per Department per month; except in instances with the explicit pre-approval of the Chief Financial Officer.
- (c) The expenditure with regard to petty cash purchases **shall not be deliberately split into more than one transaction to avoid the said limit;**
- (d) The petty cash float is **not to be used** for any of the following:
 - (i) the cashing of cheques;
 - (ii) loans to any person whatsoever;
 - (iii) payment of personal remuneration to any person whatsoever, whether for fees, salaries, wages, travel allowance as part of remuneration, honorarium or other reason, unless authorized by the Chief Financial Officer;
 - (iv) for instalment invoices such as rental of equipment or open orders, even if the amount falls within the specified limit;
 - (v) fuel.
- (e) Other cash floats may also be established for the purpose of providing change for a cash register, or any other purpose approved by the Chief Financial Officer. Use of such floats is restricted to the purpose for which they were established and does not form part of the scope of this policy;
- (f) The Accounting Officer, or delegated official, may conduct internal audits to evaluate compliance with this policy, and
- (g) Any purchase violating the true meaning of petty cash transactions will be regarded as a deviation from the accepted accounting practices in the use of Petty Cash and shall constitute a serious offence under the Disciplinary Code, unless authorized by the Chief Financial Officer;

6.2 Establishing and Operating a Petty Cash Float

- (a) To establish a new petty cash float or increase an existing advance, a written application must be made to the Chief Financial Officer by the relevant Manager of a department.
- (b) A request for the establishment of an advance will indicate the position of a senior administrative employee to be held responsible for the control over the petty cash float within the relevant department.
- (c) The senior administrative employee mentioned under paragraph 6.2(b) will be responsible for the security and set arrangements in place to ensure safe custody of funds in the office.
- (d) The minimal security arrangement that will be acceptable is that the float must be kept in a locked box which will be kept in a locked filing cabinet or safe.

- (e) When an advance is approved, the Accountant: Creditors will advise the relevant Department accordingly and request that the senior administrative employee mentioned under paragraph 6.2(b) collect the advance. This establishing/initial advance will be charged to a "Petty Cash Advances – Position/Dept" in the General Ledger and not against any expenditure votes. A register of advances is thus maintained per Ledger Account for the purpose of accounting for all petty cash floats.

6.3 Security of Petty Cash Floats and Documentation

- (a) The cash on hand and used petty cash vouchers are to be kept in a locked box for which there must be two keys. One key is to be retained by the petty cash officer (on his / her person) normally responsible for the petty cash and the other to be kept by a senior administrative employee mentioned under paragraph 6.2(b) in a sealed envelope in the office safe or other secure place, to be used only in an emergency.
- (b) The locked petty cash box must be kept in a secure place when not in use and must be removed and returned by the responsible staff member only. At no stage must staff other than the responsible administrative / clerical staff member have access to the storage place of the petty cash box.
- (c) Under no circumstance are keys to be left in the lock to the petty cash box, cabinet or safe.
- (d) If the responsible Petty Cash Officer is either going on leave or is leaving the Municipality's employment, the Petty Cash Officer must perform a reconciliation and compile a Summary Claim Cover Page before possession of Petty Cash can be handed over.

The Summary Claim Cover Page must be signed by both the Petty Cash Officer and the recipient in order to verify that the amount in cash correspond with the balance on the Summary Claim Cover Page.

When the Petty Cash is returned to the Petty Cash official, the same processes must be undertaken.

6.4 Completing a Cash Purchase Claim Form

- (a) Petty cash stationery is available from the Expenditure Section (Financial Services). The form consists of two parts:

 - (iv) signature of the Officer in Charge of Petty Cash.
- (d) Original receipts and other valid documentation as required must be attached as proof of payment with the signature of an appropriate financial delegate on this documentation. The receipt and invoice must be in a formal business format. When a vendor's printed invoice is used as a receipt, the invoice must clearly indicate that it has been paid.
- (e) A financial delegate cannot authorise a cash purchase claim where he or she is the purchaser.

6.5 Sub-Advances to Staff Members

- (a) If it is necessary to make an initial sub-advance to a staff member, a receipt for cash advance must be completed. The receipt for cash advance form must be completed as follows:

- (c) On completion of the purchase the recording-, documentation- and authorization requirements will be as stated in paragraph 6.4.
- (d) **All such sub-advances must be accounted for within 24 hours**, by submitting original receipts and other applicable documentation required attached as proof of payment (with the approval signature on the documentation). Where this cannot be achieved, the buyer will be liable to pay back the advance without any delay or if not possible, such advance to be deducted from the individual's salary and of which the individual agrees in writing to the deduction when completing the receipt for cash advance form.
- (e) No more than one advance will be made to any one individual at a time.

- (c) The recording-, documentation- and authorization requirements will be as stated in paragraph 6.4 above.

 - (ii) charging the expenditure which has been made to the correct expenditure vote.
- (b) Accordingly, **at any point of time**, the sum of the cash on hand, i.e. remaining unspent, plus the cash advances for un-finalised purchases, plus the completed cash purchase claim forms, updated on the Summary Cash Purchase Claim form, shall equal the level of the petty cash advanced to a Department.
- (c) Completed Cash Purchase Claim forms, with attached cash register slips, etc., must be submitted to the Expenditure Section for reimbursement after the Summary Claim Cover Page and attached documentation have been authorised by a financial delegate.

- (g) A petty cash float must never be reimbursed with funds derived from any other source whatsoever.

6.8 Shortages and losses

- (a) The holder of the Petty Cash float will be held accountable for any shortages and / or losses unless there is physical evidence of breaking in and no act or omission on the part of the relevant official contributed to the loss.
- (b) Any shortages in respect of a petty cash float must be reimbursed immediately by the responsible petty cash officer.
