 - 13.6.1 determine whether the question in dispute falls under sub-clauses 13.5.1 or 13.5.2; and/or
 - 13.6.2 nominate the arbitrator, within 7 (SEVEN) days after the parties have failed to agree, upon written request to do so by either party.
- 13.7 The arbitration shall be held in Hermanus in accordance with the provisions of the Arbitration Act (Act No. 42 of 1965), as amended from time to time, it being intended that, if possible, it shall be held and concluded within 30 (THIRTY) days after the arbitrator has been appointed.

- 13.11 Any order or award made by the arbitrator shall be final and binding.
- 13.12 This clause 13 shall not prevent any party from seeking interim and/or urgent relief from a court of competent jurisdiction.
- 13.13 This clause shall survive the termination of this agreement.

**PART C - MOST IMPORTANT ASPECTS OF THE
ADMINISTRATION OF IMMOVABLE
PROPERTY POLICY**

MOST IMPORTANT ASPECTS OF THE ADMINISTRATION OF IMMOVABLE PROPERTY POLICY OF THE OVERSTRAND MUNICIPALITY

GENERAL PRINCIPLES

3. The Municipality may:
- (a) alienate or let or permit to be built upon, occupied, enclosed or cultivated any immovable property owned by the Municipality;
 - (b) grant a servitude, way leave, encroachment or other rights on any immovable property of which the Municipality is the owner
 - (i) subject to this policy document and the provisions of applicable legislation; or
 - (ii) unless it is precluded from so doing by law or the conditions under which such property was acquired by the Municipality.
 - (c) enter into a contract which will impose financial obligations on the Municipality beyond a financial year, but if the contract will impose financial obligations on the Municipality beyond the three years covered in the annual budget for that financial year, it may only do so in accordance with the provisions of Section 33 of the MFMA, and
 - (d) enter into a public-private partnership agreement, but only in accordance with the provisions of Section 120 of the MFMA and the Public-Private Partnership Regulations.

DISPOSAL OR TRANSFER OF IMMOVABLE PROPERTY

5. The Municipality may not transfer ownership as a result of a sale or other transaction or otherwise permanently dispose of a municipal immovable property needed to provide the minimum level of basic services, save where the transfer is to another organ of state, as provided for in section 14(6) of the MFMA read with Regulation 24 in Chapter 3 of the MATR.
6. A decision by the municipal council that a specific immovable property is not needed to provide the minimum level of basic municipal services, may not be reversed by the Municipality after that immovable property has been sold, transferred or otherwise disposed of in accordance with Section 14(3) of the MFMA.
7. The transfer of ownership of immovable property must be fair, equitable, transparent, competitive (unless it is not applicable or unpractical e.g. non-viable immovable property) and consistent with the supply chain management policy of the Municipality in accordance with Section 14(5) of the MFMA.
9. Transfer or disposal of a non-exempted immovable property (not high value)
- 9.1 The Municipality may transfer ownership or otherwise dispose of a non-exempted immovable property only after the Municipal Council has, in terms of sections 14(2)(a) and (b) of the MFMA:
- (a) decided on reasonable grounds that the immovable property is not needed to provide the minimum level of basic municipal services;
 - (b) considered the fair market value of the immovable property and the economic and community value to be received in exchange for the immovable property in accordance with Section 14(2) of the MFMA, and
 - (c) has as a consequence to 9.1(a) and (b) above approved in principle that the immovable property may be transferred or disposed of, and the method of disposal or transfer.
11. Approval in terms of 9.1(c) and 9.2(c) may be given subject to any conditions, including:
- (a) the way in which the immovable property is to be sold or disposed of;
 - (b) a reserve price or minimum compensation for the immovable property;
 - (c) whether the immovable property may be transferred or disposed of for less than its fair market value, in which case the criteria set out in clause 9 must be considered, and
 - (d) a framework within which direct negotiations for the transfer or disposal of the immovable property must be conducted with another person, if transfer or disposal is subject to direct negotiations.
15. Alienation of immovable property by means of a competitive process
- 15.1 The transfer of immovable property must, except in the case of non-viable immovable property, be affected by means of competitive process, which may include a public or closed tender, auction or proposal call.

- 15.2 The upset price for immovable property to be alienated by means of a competitive process will be determined in such a way that it corresponds with a fair market value and must include the recoverable development costs such as municipal services, advertising and survey costs.
 - 15.3 In assessing tenders, the Municipality will take cognisance of the total cash value of the packages offered by the bidders, where such packages are permissible in terms of the conditions of tender. In other words, where the actual amounts tendered are roughly similar, but a particular bidder, for example, also offers to make improvements to the immovable property, the cash value of such improvements, which proposed improvements may not be deviated from, may also be taken into consideration to determine the highest tender.
 - 15.4. Should the Municipality consider it desirable not to accept the highest tender or offer or decide to accept a particular development proposal in which the amount tendered is not the highest offer, the reasons for this decision must be fully set out and recorded in the minutes of the bid adjudication committee meeting in question and if applicable the minutes of the appeal tribunal.
 - 15.5. In cases where tenders are according to the findings of the bid adjudication committee identical and the provisions of paragraphs 15.4 are not applicable, the successful bidder may be determined by the drawing of lots in the presence of the involved parties.
16. The Municipality shall at all times when considering the alienation of its immovable property, take into consideration the Municipality's obligation to, as part of its process of integrated development planning, take all reasonable and necessary steps within the framework of national and provincial housing legislation and policy to identify and designate land for housing development in terms of the Housing Act, 1997 (Act 107 of 1997).

CONDITIONS OF SALE

28. All costs pertaining to a transaction shall be borne by the successful bidder/purchaser, e.g. survey, advertisements, valuation, rezoning, relocation or provision of services where necessary, etc. The Municipality may, however, waive its right to claim the costs should it be to its advantage to bear the costs.
29. Should existing services need to be relocated or secured by means of the registration of a servitude in favour of the Municipality as a result of the alienation of the immovable property, all related costs shall be for the account of the successful bidder/purchaser.
31. Where immovable property is alienated for development, a condition, taking into consideration the nature of the development, might be included in the Deed of Sale stipulating that such development must be completed within two years from date of registration. Likewise a condition may be included in the agreement to provide for forfeiture in the event that the development has not been completed within the required time period, unless a written extension has been granted by the Municipality.
32. Save with prior approval, the immovable property alienated may only be used for the purpose for which it was originally sold and purposes permitted by town planning scheme regulations pertaining to such purposes.
33. The agreement might contain a suspensive condition in respect of immovable property which is sold subject to approval in terms of land use planning legislation.
34. A 10% deposit of the agreed/tendered purchase price will be due and payable by the purchaser/successful bidder within 10 days of date of request in writing thereof by the Municipality.
35. Interest on the purchase price, as from date of signature of the deed of sale, must be charged by the Municipality should payment or transfer be delayed due to an action or failure on the part of the successful bidder/ purchaser.
