Motivation: Departure/Town planning Application

Relaxation of building line.

Motivation in terms of Article 90 of the Municipal By-Law.

- a) Erf. 1594
- b) Caesar Road
- c) Pringle Bay

Planning Principles: YES

Permanent Departure

1. We are applying for a permanent departure on the common boundary for relaxation
 - From 2.0m to 0.0m – Common boundary – New Carport
 - From 2.0m to 0.0m – Rear Boundary – New Carport

Spatial Justice: No

This application doesn't contain any imbalances

Spatial Sustainability: Yes

We will make sure to use environmental materials. We will make sure protection of valuable agricultural land, environmentally sensitive and biodiversity rich areas will be protected and maintained in the building of the new carport.

Efficiency: Yes

The new carport where designed with the mind-set of the following: Optimises the use of space, energy, infrastructure, resources and land. We deciding on the carports we had a lot of time to make the right choices in deciding the carports to minimise negative financial, social, economic or environmental impacts and to streamline the entire process.

Spatial Resilience: No

I can assure you that we will NOT have an impact on the livelihoods of the poor. We will definitely promote by giving them work and job building the car pot. No community will be impacted by this application nor the environment.

Good Administration: Yes

This will be good promotion of integrated, consultative planning practices in which all spheres of government and other role-players. There will be good administration and systems to ensure we meet the required timeframe and adhere to.

Photos: Yes

My Client wants to build new carport for him and his friend staying with him. He also has a lot of friend and family coming over to visit so he wants them to be able to park inside the property underneath the extra carport. It's also to protect his vehicle form the weather and the sun. My client did ask the 2 adjacent properties and the one across from him and they have no objection against the carport.

We ask for you approval of this application please.

Thank you

Stephan Gideon Henning

Motivation: Penalty

Erf. 1594 Pringle Bay

25 Caesar Road

a) Nature, duration, gravity and extent of the contravention:

- The carports that was built without plans on the common line.
- 57 SQM Carports
- 28.39 SQM are over the building line
- 4 - 6 Months: Client did not know the he needed plans for the carports.

b) The conduct of the person involved in the contravention

- Current owner

c) Whether the unlawful conduct was stopped

- No

d) Whether a person involved in the contravention has previously contravened this by-law or previous planning law

- No

42 (r) - Determination of an Administrative Penalty as Contemplated in Section 129 (1) (LUM016 form):

The new carport was built without Approved building plans & applying Penalty Application.

My client is would like to get the neighbours consent for the carport witch he built illegal. **He would also like to advertise for the departure application** to get consent from them to make sure they are happy with the carports.

We ask for you approval of this application please.

Thank you

Stephan Gideon Henning
