Eli liqela lamagosa aseOverstrand abeye kwitheko lawo lokuthweswa izidanga eMarine Hotel emva kokuphumelela izifundo zawo zeLGAC (Local Government Accounting Certificate).

Baqala ngoJuni 2015 ngenjongo enye ikukujongana neerhorho zelizwe lezomali-zimaliwe. Emva konyaka babenakho ukujonga emva bathi ngenene baphumelele ukukwenza oko.

Igosa ngalinye silinqwenelela okuhle. I-Overstrand iyazingca ngani!

Abasebenzi yeyona nto inxabiso elikhulu neneendleko ezinokulawuleka eOverstrand. Kodwa sisaxhomekeke kwiinkqubo ezisebenza ngemanyuwali okanye ngeendlela ezingaqondakaliyo ukujonga ixesha lokuba semsebenzini labasebenzi.

Singenawo umtshini ozisebenzelayo kunzima ukujonga ixesha ngokungaqokileyo, ulawule ukuba khowe kosebenzi emsebenzini.

Umatshini wokujonga ixesha nobukho (i-Kronos) waziswe kulo nyaka uphelileyo ngoMatshi kwaMasipala ngenjongo yokuba ungene endaweni yale yokusebenzisa iphepha ukubhala ixesha lokungena nelokuphuma emsebenzini.

Njengayo nayiphi na into entsha esandula kungena i-Kronos ivelise eyayo imingeni neengxaki. Nangona kunjalo ezi ngxaki zisonjululiwe neengxelo ezintle zifunyenwe kubasebenzi malunga nale ndlela.

Ngoku xa uninzi lwabasebenzi baseOverstrand benakho ukukhokha ngeekhompyutha zabo abanye bekwazi ukusebenzisa umtshini wokukhokha umasipala ukulungele ukuba inkqubo isebenze ngokupheleleyo.

Ewe, ukususela ngomhla wo-1 Februwari akuzi kufuneka ukuba uzalise irejista eliphepha - nto leyo emele kudala imincili kubasebenzi.

Uxanduva lokugcina irejista yenyanga, olokuqinisekisa ukuba imanejala isayinile phambi kokuyingenisa nolokuyenza kwakhona xa ithe yangcoliswa yikofu ngempazamo, zonke ezo zinto zidlule ngoku.

Inkqubo ekhoyo ngoku yokulawula i-ova, neyelalela azizi kugquka okwangoku. Kodwa nezi ziza kutshintsha ziqukwe kuKronos.

Ngako oko luyintoni uxanduva lwakho ngoku? Kukukhokha xa ungena naxa uphuma - ukwenze oku ngexesha yonke imihla.

Ukuba awukhokhanganga oko kuya kuthetha ukuba awuphangela ngelo xesha ngako oko kuya kubhalwa ukuba awukho.

Oku kungakhokelela ekutsalweni kwemali kumvuzo wakho ngenxa yokungabikho emsebenzini - into, ungandivumela, ekungekho namnye onqwenela ukuba imehlele.
