PART C – ADMINISTRATION OF IMMOVABLE PROPERTY POLICY

15. MOST IMPORTANT ASPECTS OF THE ADMINISTRATION OF IMMOVABLE PROPERTY POLICY OF THE OVERSTRAND MUNICIPALITY**“General Principles****4. The Municipality may:**

- (1) alienate or let or permit to be built upon, occupied, enclosed or cultivated any immovable property owned by the Municipality;
- (2) grant a servitude, way leave, encroachment or other rights on any land of which the Municipality is the owner
 - (a) subject to this policy document and the provisions of applicable legislation;1.) or unless it is precluded from so doing by law or the conditions under which such property was acquired by the Municipality.
 - (b) unless it is precluded from so doing by law or the conditions under which such property was acquired by the Municipality.

13. In assessing tenders, the Municipality will take cognisance of the total cash value of the packages offered by the tenderers, where such packages are permissible in terms of the conditions of tender. In other words, where the actual amounts tendered are roughly similar, but a particular tenderer, for example, also offers to make improvements to the property, the cash value of such improvements, which proposed improvements may not be deviated from, may also be taken into consideration to determine the highest tender.

Conditions of Sale

20. All costs pertaining to a transaction shall be borne by the buyer, e.g. survey, advertisements, valuation, rezoning, relocation or provision of services where necessary, etc. The Municipality may, however, waive its right to claim the costs should it be to its advantage to bear the costs. Where necessary, a deposit to cover the costs may be required.
21. Should existing services need to be relocated or secured by means of the registration of a servitude in favour of the Municipality as a result of the sale of a immovable asset all related costs shall be for the account of the purchaser.
22. Small areas of land such as closed roads or portions of public place sold to an adjacent owner must be consolidated with the existing property of the adjacent owner, unless circumstances exist which, in the opinion of the Municipality, make such consolidation undesirable.
23. Where immovable property is sold for development, a condition must be included in the Deed of Sale stipulating that such development must be completed within two years from date of registration. Likewise a condition must be included in the agreement to provide for forfeiture in the event that the development has not been completed within the required time period, unless an extension has been granted by the Municipality.
24. Save with prior approval, the property alienated may only be used for the purpose for which it was originally sold and purposes permitted by town planning scheme regulations pertaining to such purposes.
25. The agreement of sale shall be finalised and concluded within 60 days from the date of the Municipality's official written request and registration must be effected within 60 days of signature of the agreement by both parties; failure to comply shall cause the sale to lapse.
